

Package of educational materials

Personal and social competencies

Package of educational materials
was prepared as part of the *Transfer, adaptation and implementation of innovative solutions in developing students' skills in schools of construction in the area of vocational foreign language, personal and social competencies, within the framework of cooperation network* project. The project is co-financed by the European Social Fund as part of the Operational Programme Knowledge Education Development for 2014-2020. Measure 4.3. Transnational cooperation, implemented from 2 January 2017 to 30 November 2018
